- 1) **Beginners and "Begin-again-ers"** – We will start at the very beginning and teach basic strums, rhythmic backup of singing and other instruments and some very simple melody techniques on beautiful and easy songs and tunes.
- 2) **Early intermediate** – We will add more rhythms and build solid melody-picking skills, learning some great new intermediate-level songs and tunes.
- 3) **Advanced Intermediate** – For good melody players who want to learn interesting new rhythm techniques and more complex melodies with new ways to play and arrange more difficult repertoire.
- 4) **Advanced** - This is for people who already have a good repertoire of songs or tunes, play melodies with ease, feel comfortable playing for others, and want to add finesse and excitement to their playing, pick up some new songs and tunes, and explore and share new musical frontiers.
